

RAGE Volleyball Practice Session Schedule

Saturday, September 26, 2009 @ Franklin Pierce HS

For the practice session on Saturday, September 26, each team will get half of a court to conduct their one-hour practice session. Players from the high school teams will be at the gyms to assist you with running your practice (helping out with drills, etc.) if you would like. There will be a RAGE representative present to assist you when necessary and answer any questions you might have. Before leaving the gym, coaches must be sure to turn in a copy of their roster to a RAGE representative with a team name, t-shirt color and any changes to the roster (i.e. spelling corrections, phone number changes, and shirt size information).

Please cooperate with coaches on the other courts and keep in mind that the last few minutes of the practice session is a great opportunity to scrimmage with team you're sharing a court with.

The schedule for your first set of matches on Saturday, October 3rd will be posted no later than Thursday, October 1st. We will try to have it posted sooner if possible. Please be sure to check the website for game schedule information.
